After-sales service

To ensure your timepiece is taken care of, P-Watch provides a quality after-sales service.

One of its advantages is the scope of services provided, as it covers:

- All kinds of brands (old and new)
- All kinds of timepieces (from simple watches to clocks)
- All kinds of services (cleaning, repair, overhaul)

What makes P-Watch stand out:

- Expertise: Of an independent and avid artisan-watchmaker.
- Experience: Over 20 years in after-sales service management for prestigious brands.
- Contact: The B2C approach is at the heart of our priorities as is our interaction, from careful listening to transparency about the work we do.
- Trust: We are particularly committed to offer, inspire and reflect trust in all our relationships.
- Proximity: All work is carried out in our workshops, with the occasional assistance of partners in Switzerland.
- Exchanges: We always deal directly with no middleman, so that communication is optimal, fluid and easy.
- Precision: It is of course key to watchmaking and the same rigour is applied to the quality of the after-sales service.
- Quality: Is an integral part of our philosophy, respecting the brand image of Swiss watchmaking.
